

## **Report of the Special Committee on Pupillage Reform 2010**

In February 2010, the Bar Council set up a committee to look at the current system of Pupillage and to make recommendations as to any reforms.

The Committee consisted of the following persons beside myself.

Lisa Remedios  
Graham Harris  
Raymond Leung  
Jose Maurellet  
Elaine Liu  
Jolie Chao  
Dennis Kwok  
Benson Tsoi  
Julian Cohen  
Wong Ka-Chun.

To this end, the Committee had extensive communication, on an individual basis, not only with pupil masters, but also with pupils and those who have recently completed their pupillage as well as the English and Wales Bar and we took into account all views presented to us.

The Report was completed and submitted to the Bar Council in July of this year.

The Bar Council has since sought views of members with a view to implementing our recommendations.
